## 2022-2023 FAFSA Application

(Fall Semester Aug–Dec 2022; Spring Jan–May 2023; Summer June–July 2023)

All schools must verify FAFSA data with information provided directly from the IRS. If you and/or your parents have filed a **2020** U.S. Income Tax Return, you must retrieve your IRS data using one of the following two options. If you did not file see **\*\*instructions** below.

**Option 1: IRS Data Retrieval Tool (DRT)** – The easiest way to verify your FAFSA data with accurate tax information is by using the IRS Data Retrieval Tool. In a few simple steps, you may be able to view your tax information and transfer it directly into your FAFSA. Certain tax filers will not be eligible to use the IRS Data Retrieval Tool.

- Log into [www.FAFSA.gov](http://www.FAFSA.gov) using your FSA ID. Students and Parents will need a separate FSA ID.
- Click **Make FAFSA Corrections** located in the middle of the page
- In the Financial Information section, click **Link to IRS**. Parents will need their FSA ID for this process.
- Transfer the Data
- Make sure to **Submit your FAFSA** after retrieval process is complete
- It will take 7–10 for our office to receive your updated FAFSA with the IRS Data Retrieval information
- If the IRS Data Retrieval Tool is not available to you, proceed to Option 2

If you are not able to utilize the DRT, you may want to request an IRS Tax Return Transcript in case selected for verification. Butler does not want your Tax Return Transcript unless selected.

**Option 2: Tax Return Transcript** – If you or your parents chose not to use the IRS Data Retrieval Tool, or you are not eligible to use the tool, you must provide a **2020 Tax Return Transcript**. Tax filers can request a free transcript of their **2020** tax return from the IRS.

### On-line Request

If your address has changed since you filed your taxes you will need to use the Telephone or Paper Request method

**Option 3: SIGNED ORIGINAL COMPLETE Tax Return** – You must provide a signed 2020 Tax Return. If you not have a copy of your original tax return that was filed, then you must provide a Tax Return Transcript (Option 2)

**\*\*Did Not File and You Were Not Required to File** – To verify that you have not filed a tax return you will need to request a Verification of Non-Filing letter from the IRS. This letter must be dated after October 1, 2021. To request a Verification of Non-Filing letter from the IRS, complete Form 4506–T. On the form, request a 1040 in item 6 and checkmark items 6a, and 7. In item 9, enter the date 12/31/2020. The form will need appropriate signatures.
