1) I authorize I decline

Butler to deduct from my Title IV Federal Financial Aid to pay my current allowable non-institutional charges. Non-institutional charges are fees other than those required to take courses at Butler (tuition, student fees, on-campus housing, and required course materials). If I choose not to provide authorization to pay non-institutional charges with my Federal Financial Aid, I may receive a refund and still owe on my student account and be subject to deferred/late fees.

2) I authorize I decline

if I have prior year charges, Butler to deduct allowable prior year charges from my current Federal Financial Aid, not to exceed \$200, as allowed by regulation. If prior year charges are more than \$200, I understand I will owe a balance on my student account.
